Open House – Engelhaven Development Road Improvements

Louisville Township is hereby inviting you to an *Open House* on **Tuesday, December 2, 2008 from 7:00-9:00 PM** at the Scott County Conference Center located at 205 Fourth Avenue West, Shakopee, MN 55379 to discuss the possible reconstruction of roads within the Engelhaven development. There will be a short presentation from 7:00-7:30 pm with open discussion thereafter.

This Open House is being held to inform residents of the construction options available to improve the roads in the area and present estimated costs of each option in the effort to gather feedback and comments from the residents. No determination has been made at this time as to the direction of any roadway improvements and all interested residents are encouraged to provide input into this process.

We sincerely hope that you will join us for this session and we look forward to a cooperative effort in evaluating the possible road improvements. Please contact Dan Lonnes at (952) 448-8838 or at danlo@bolton-menk.com if you have any questions or comments. Thank you for your help and consideration.

Sincerely,

Daniel A. Lonnes P.E.
